

Rasco Middle School

2023-2024

The following school supply list has been determined by the staff as the necessary supplies to complete the courses.

- Please feel free to split some of the supplies and keep at home until your student shares the supplies that need to be replenished. For example, the students do not have to carry both packages of notebook paper to school at the first of the year.
- The students may need some of these supplies replenished throughout the year.
- Students will not have access to lockers and may use either a small rolling backpack or regular backpack to transport materials.
